

DISCLOSURE STATEMENT

Published by Lippincott Williams & Wilkins for the
American Society for Artificial Internal Organs

Manuscript No.:	Date:
------------------------	--------------

Manuscript Title:

Each author must indicate below that either **no** financial conflict of interest exists with any commercial entity whose products are described, reviewed, evaluated or compared in the manuscript, except for that disclosed under "Acknowledgements," **or** a potential conflict of interest exists with one or more commercial entities through the existence of one or more of the following relationships: **(a)** the author is a full or part-time employee of a company; **(b)** has an existing or optional equity interest in a company; **(c)** owns or partly owns patents licensed to a company; **(d)** has an ongoing retainer relationship (consultant, speaker, etc.) with a company for which he/she receives financial remuneration; **(e)** has received financial compensation for this publication; or **other** conflict. Affiliations or proprietary interests disclosed will in no way preclude review, acceptance, or publication of your article. Any interests provided will be placed as a footnote on the first page of the published article.
